LONG VALLEY FIRE PROTECTION DISTRICT
NOTICE OF ANTICIPATED BOARD COMMISSIONER VACANCY

The Long Valley Fire Protection District has been notified by a current Board Commissioner of an intent to resign in the near future.

While no vacancy currently exists, the District is accepting applications from individuals interested in being considered for appointment to the Board of Commissioners should the position become vacant.

If and when the vacancy becomes effective, the District will issue a formal Notice of Vacancy in accordance with California law, including the required 15-day public notice period. Additional information regarding eligibility requirements, the appointment process, and applicable timelines will be provided at that time.

Individuals interested in being considered are encouraged to contact the District Secretary to request an application or obtain additional information.
